 he Marist College Dean's List, published in February and July, records the names of all full-time undergraduate students who have demonstrated academic excellence in the previous semester. In order to qualify for this special distinction, which is permanently recorded on official College transcripts, students must earn a semester grade point average of at least 3.40 having completed a minimum of 12 academic credits graded on the A-F scale. In addition, students who earn grades of "I," "D," or "F" are not named to the list. The following students met or exceeded these criteria based on grades reported as of January 2nd, 2002:
